The tiny Kingdom of eSwatini (Swaziland) covers only 17 000km², most of which is mountainous. For such a small country, it is surprising that it sustains two capital cities: Mbabane is the administrative capital and Lobamba is the royal and legislative capital. In April 2018, Swaziland changed its name to the Kingdom of eSwatini (meaning “place of the Swazi”) and is an absolute monarchy. It is landlocked and borders South Africa and Mozambique. At Swazi Candles, guests are invited to interact with the artisans as they make a variety of candles. Woodcarvings, colourful textiles and superb basketwork are also on display. Mantenga Lodge is nestled in the mountains overlooking ‘Execution Rock’. The village is a living museum of old traditions that represents a classic Swazi lifestyle during the 1800s.

Loch Logan Waterfront is next to the city's newly renovated stadium, which was one of the venues during the 2010 Soccer World Cup. The Women's Memorial at the Anglo Boer War Museum is a reminder of life in the concentration camps and commemorates the 27 000 women and children who died in these camps. The Museum itself is a graphic depiction of the hardship endured by all during the war and relates the history of South Africa from 1652.

This semi-desert region is situated at the foot of the majestic Swartberg mountain range where many rivers, streams and falls have their origins. The great natural wonder of the Cango Caves has colourful underground chambers with breathtaking limestone formations. Oudtshoorn is regarded as the centre of the Klein Karoo and is famous for feathering the world in the time of the boa and grand hats. George and Knysna sit between the majestic Outeniqua Mountains to the north and the Indian Ocean to the south. The Knysna Heads – two sandstone cliffs guarding the mouth of the lagoon connecting the estuary with the sea – is a dramatic viewpoint. At lunchtime, the train travels the Garden Route , a narrow coastal terrace lying between the deep-set coastal cliffs rising sheer out of the sea and the mountains a short distance inland – a topology that facilitates heavy rainfall, hence the name as it is always lush and green.

COURSE INFORMATION

Course selection is dependent on availability

LEOPARD CREEK

Kruger Park Malelane • Parklands • 6 631m • Carts compulsory • www.leopardcreek.co.za

This ultra-exclusive world-class facility is the brainchild of magnate Johan Rupert and, as can be expected, no expense was spared. Bordered to the north and the west by the picturesque Crocodile River and the Kruger National Park, the course represents African golf at its best with indigenous bushveld bordering the immaculate fairways and greens. Innovative architectural and landscaping techniques ensure the course is naturally protected from animals, while lakes and small streams divert through the development to create scenic vistas and interesting golf strategies. Hazards take a new dimension for much of the water is home to the magnificent creatures for which the river is named...crocodiles.

Signature hole: 13th - par 5 - 505m Here the green is right on the edge of the river but 32m above the water level offering magnificent views into the Kruger Park.

WHITE RIVER

Nelspruit • Parklands • 6 036m • Carts available • www.whiterivercountryclub.co.za

Naturally adapted to the valley floor upon which it lies, White River is located at the feet of several private nature reserves. Such is the beauty of the course that holes 7 and 11 have been compared to the likes of Augusta. Opened in 1924, it was designed by Gary Player and Reg Taylor. The long, snaking river that runs through the course is the defining feature and is home to an astounding array of flora and fauna.

Signature hole: 5th - par 3 - 138m: This hole calls for an accurate tee shot over the river onto a gently sloping green.

MBOMBELA GOLF CLUB

Mbombela • Parklands • 5 700m • Carts available • www.nelspruitgolfclub.co.za

Nelspruit lies in the fertile valley of the Crocodile River in the hot and humid Lowveld. It has a very important place on the tourist map due to its close proximity to the Kruger National Park. Founded in November 1928 and moved to its present location in 1939, Nelspruit Golf Club is one of Mpumalanga's top courses. The bushveld course is a Bob Grimsdell design built among rocky outcrops. It was a nine-holer for nearly 30 years before Grimsdell returned to complete a second nine in 1967. It was left largely untouched until 1998 when Peter Matcovich upgraded it. The course is lined with indigenous lowveld trees and bent grass greens and cynoden/kikuyu fairways complement the landscape. Nelspruit Golf Club is famous for hosting the annual Jock of the Bushveld Festival of Golf, considered the biggest amateur tournament of its kind in the world. Started in 1968, it now receives some 800 amateurs from far and wide who play more than 2 000 rounds during a week in May.

NKONYENI

Eswatini • Bushveld • 5 810m • Carts available • www.nkonyenigroup.co.za

Nkonyeni Golf Estate is situated in 1200 hectares of gorgeous bushveld overlooking the Great Usuthu River and surrounding mountains. Built in 2007, the championship course was designed by Phil Jacobs (previously associated with the Gary Player Group and responsible for a total of 40 golf courses in France, Hong Kong, China, Philippines, Indonesia and South Africa) and further constructed by Robert Richardson. The bushveld course meanders through the private game reserve providing a unique experience at the 18th hole with a shot across the Usuthu River onto an island surrounded by rocks.

ROYAL SWAZI

Eswatini • Parklands • 6 166m • Carts available • www.suninternational.com

This spectacular championship course is one of the most scenic locations found in the world. Opened in 1966, it has been laid out on the slopes of the Lebombo Range that curve gently down into the valley. The first nine holes are comparatively level but the second nine fully exploits the mountainous terrain. Challenging features include lakes, gullies thick with vegetation, out-of-bound areas running close to fairways, swirling breezes, clusters of magnificent trees and indigenous plants and wickedly sited bunkers – one is so steep it requires steps to facilitate access.

DURBAN COUNTRY CLUB

Durban • Semi-links • 6 157m • Carts available • www.dcclub.co.za

Built by George Waterman and fellow professional golfer Laurie Waters, the Durban Country Club was established in 1922 and has a proud history. The difficulties these men faced were immense as all earth-moving had to be done manually, giant sand dunes were flattened and dense bush and trees chopped down and carted away. Renowned for its classic Cape Dutch architecture, lush vegetation, undulating fairways, sand dunes and beautiful setting overlooking the Indian Ocean, the club has been the venue of choice for many an important celebration in its rich history.

Signature Hole: 3rd - par 5 - 468m A tee shot from the highest point on the course into a valley below, completely exposing the drive to the ocean gusts. Trees on the right of the straightaway hole need to be avoided as well as the large fairway bunker on the landing area to the left.

DURBAN BEACHWOOD

Durban • Semi-links • 6 016m • Carts available • www.dcclub.co.za

The seaside layout of Beachwood has deservedly received accolades for its immaculate conditioning. Originally designed by Sid & Jack Brews in 1930, it has always been famed for its narrow fairways and indigenous trees. When Beachwood amalgamated with Durban Country Club in the late 1990s, Gary Player's design team was asked to upgrade and redesign some of the holes while introducing additional hazards. The results are to be savoured as one plays a course with clever bunkering and water features with superb greens. The land follows rolling and undulating contours allowing fairways to follow natural valleys between high grassy banks, requiring precision shots and lay-ups.

Signature Hole: 6th - par 4 - 410m One of the most demanding holes, the 6th is set high in the dunes and doglegs left with a stream, bush and water hazard to be negotiated en route to the green.

ZIMBALI

North Coast KwaZulu-Natal • Links Coastal & Parklands • 6 524m • Carts compulsory • www.zimbalicc.co.za

A truly spectacular golf estate offering sweeping panoramas of the surrounding hills, forest and ocean. Former South African PGA and British Open Champion Tom Weiskopf has remained true to his style and designed a course that caters to players of all abilities. Opened in 1998 it has firmly cemented itself as one of the area's favourites. Being an eco-conscious estate, the tee boxes are often situated in slightly tricky positions to avoid environmental disturbances. The first 11 holes take you over rolling hills with ideal vantage points from which to enjoy the magnificent views. Holes 12 to 18 explore the Zimbali indigenous forest.

CHAMPAGNE SPORTS RESORT

Drakensberg • Mountain • 7 400m • Carts available • www.champagnesportsresort.com

Located in the beautiful Drakensberg area, this course has to be rated as one of the most scenically memorable golf layouts in South Africa. Designed by Hugh Baiocchi and Kevin Curren, it successfully blends the natural attributes of the terrain and the surrounding beauty with the modern demands of a quality course. It undulates up and around the contours of a valley that nestles under the dominant peaks of Champagne and Cathkin Peaks and incorporates several holes with blind tee shots. Professional and novice alike will appreciate the 84 well-appointed bunkers that line the fairways and greens. The quality of the greens is accredited to Trevor Livesey whose passion remains unabated. Though the drama of the mighty mountains dominates the eye, the course also enjoys gentle vistas where the lower hills create a kaleidoscope of colour blessed with trees, rivers and dams to add even more of a challenge.

HUMEWOOD

Port Elizabeth • Links • 6 225m • Walking course • www.humewoodgolf.co.za

Situated on the sand dunes on the shores of Algoa Bay, this true links course is characterised by thick coastal bush, swales, humps and hollows. Although the fairways are wide and undulating in order to compensate for the strong winds, the rough that borders them is unforgiving. The holes are simple yet neat, the gulf greens are fast and firm, the few bunkers are well positioned with tough, steep faces and there are no water hazards.

Signature hole: 13th - par 4 - 408m This hole runs uphill along a severely sloped fairway with a tough semi-blind approach to a tiny green hidden behind a mound with rough to the right, a bunker to the left and thick bush behind it.

FANCOURT COUNTRY CLUB

George • 2 Parkland • Carts available • www.fancourt.co.za

1. MONTAGU • 6 714m • This course is exquisitely conditioned with a glorious parkland layout covering large tracts of varying terrain on rolling land. Mature trees, flowerbeds, shrubs and water hazards provide a colourful contrast.

Signature hole: 17th - par 3 - 190m This is scary for the average golfer with its long carry over water but the green is large and receptive so ignore it and go for the flag. If conservative, favour the left side of the green.

2. OUTENIQUA • 6 312m • Designed by Gary Player and named after the mountain range overlooking the area, this parklands course is more forgiving than Montagu being more open in appearance, yet it has its share of challenges and risk-and-reward moments.

Signature hole: 14th - par 4 - 421m No surprise this is the toughest hole with its intimidating tee shot over water. If the flag is on the left of the green, play conservatively for the middle as there is water lurking at the back left.

- US Dollars printed before year 2013 or that look worn will not be accepted. Low denominations recommended for shopping/gratuities. Larger denominations recommended for exchanging money to local currency (especially in Tanzania) as you get a better rate.

DIETARIES: We cater for food allergies provided a detailed request has been made at that time of your reservation. If a special request has not been made, the chefs will endeavour to prepare suitable meals with the ingredients available on board. We regret we are unable to prepare meals requiring strict religious observance in the preparation.

DINING: Meals on board are served in one sitting only in the dining cars and are complemented by a selection of fine South African wines. Breakfast: 07:00-10:00 • Lunch: 13:00 • Tea: 16:30 • Formal Dinner: 19:30. Bar service is from 07:00-±01:00. All meals are served at these times unless otherwise stated in the timetable. DRESS

- **Days on board are smart casual:** Neat, conventional yet relatively informal in style combining casual and formal clothing pieces.
- **Evening attire is more formal:** For gentlemen a jacket and tie is a minimum requirement while for ladies we suggest cocktail/evening dresses or suits. On long journeys we enjoy **themed evenings** where guests can **dress up accordingly** or opt for **smart casual**:
 - **Golf Safari, African Collage, Dar es Salaam and Lobito Journeys:** 1 x "AFRICA" evening and 1 x "1920s" evening. See *itineraries*.
 - **Namibia Safari:** 1 x "AFRICA" evening. See *itineraries*.
- **Off-train excursions:** We recommend comfortable walking shoes, sun lotion and hats. If required, blankets and rain capes are available.
- **Game drives** are on open vehicles so please dress accordingly: mornings can be cool then warm up considerably; afternoons can be warm then cool down considerably. Please see average temperatures as a guide.

DRESSING GOWNS: We provide a comfortable one-size-fits-all gown plus slippers for each guest for use on board the train. If you wish to take one home, they are available to purchase from the Gift Shop.

ELECTRICITY: 220V AC 50Hz 3-point round-pronged wall plugs and 110V/220V 2-pin plugs for shavers and chargers. USB ports are in each suite. International adaptors available. A generator supplies power. Please be aware that certain breaks in power are necessary when servicing is required.

GIFT SHOP/ADMINISTRATION: There is a small gift shop on the train and at Rovos Rail Station in Pretoria. Due to the varying exchange rates, credit cards are preferred. The Administration Deputy on duty has a basic First Aid Kit and personal essentials (toothbrushes, razors, earplugs etc.). He/she will also fulfil any administrative requirements and check your onward arrangements.

GRATUITIES: Gratuities for the staff are at your discretion. If you wish to show your appreciation in this manner, there will be a suitably marked envelope in your suite that you can hand directly to the Train Manager who will distribute any amounts on a pro-rata basis (share) among the staff on board. An amount between ZAR100-300 (± US\$10-20) per person per night is suggested, depending on the length of your journey. At the game lodges, it is customary to tip guides and lodge staff an estimated ZAR150 (± US\$10) per guest per day.

LAUNDRY: There is a LIMITED laundry service (10 items/day) on board comprising household washers, dryers and steam irons. The turnaround is 48 hours so we are unable to handle a week's worth of laundry. There are no dry-cleaning facilities en route or on board. Please note that while this a complimentary service we cannot be held responsible for items that may be damaged or lost in the process.

LOCOMOTION: Use of steam has become increasingly difficult over the years as more and more water and coaling facilities have been scrapped. Diesel or electric locomotives are used while steam is used in and around the area of Rovos Rail Station in Pretoria only.

LUGGAGE: It is possible to store luggage in your suite under the bed or above the door on a luggage rack, which provides ample space for storage. There are no luggage restrictions on board although we do not recommend more than two large suitcases. A soft bag is preferable on plane transfers with a luggage weight restriction of 15kg.

THE TRACK: The track over which we travel is inconsistently maintained. If you wake at night imagining the train is travelling at high speed, be assured it is the state of the track below creating that impression. We restrict the train to 60km/h (37mph) and over bad sections reduce speed to as little as 20km/h (12mph). If you find it noisy, earplugs are available in your amenities bag and at the Gift Shop.

WATER: The water used on the train is carried in tanks under each coach. These tanks are filled every day but they cannot be topped up while the train is travelling. Please assist us by using water responsibly. Water inside the suites has been filtered and chlorinated; it is safe for bathing and brushing teeth only. Please use the bottled water provided for drinking.

SCHEDULING TIMES, ROUTES & EXCURSIONS: Rovos Rail is solely reliant on the traction and railway services provided by the countries through which we travel. Our hands are regrettably tied when these services fail, be they due to locomotives, signals, overhead power-cable damage and/or theft, vandalism, electricity outages, railway tracks or issues with drivers etc. Delays can occur due to our reliance on these national organisations. Rovos Rail is not responsible and cannot be held liable for any delays or changes in tour arrangements that may be caused by natural or other factors beyond the control of Rovos Rail. Rovos Rail reserves the right to cancel or amend our routing, any excursions and the tour departure dates provided we can offer the passenger alternative excursions or departure dates. Rovos Rail cannot guarantee excursions or departure and arrival times. Our obligation to transport guests from departure to arrival points on schedule will override any commitment to excursions although we will endeavour to carry out all of the off-train experiences. We **strongly** caution against same-day air travel on departure/arrival days due to possible delays with flights or the train.

OF SPECIAL NOTE Although certain limited insurances have been arranged, neither Rovos Rail Tours (Pty) Ltd, nor its servants, agents or employees, shall be liable for any loss or damage to passengers' luggage or effects. The passenger records that all the services and facilities provided to the passenger are accepted voluntarily and with full knowledge that they may expose the passenger to injury, danger or loss. The passenger further records that any statement, representation or information given to him/her by Rovos Rail shall, unless given in writing, not prejudice this waiver in any manner whatsoever. This agreement shall be governed solely by laws of the Republic of South Africa.
